

Ball Tree Surgery

Non-NHS Charges – January 2020

Services are not funded by the NHS and cost the practice more than the charge. The GPs complete these tasks in addition to the NHS Hours.

We ask that you pay by card in advance at the reception desk.

We will provide you with a receipt.

We aim to allow 28 days to complete reports and letters.

This provides time for the administration and GP work to be completed.

- If we think that there will be a delay we will telephone you
- Please do not call the surgery to check on progress – we will contact you when the report is ready to collect.
